NAOC Judging Classes

You must be pre-registered by June 1, 2009 to be judged.

Note: New NAOC judging guidelines were established starting with the 1999 meet. All Best of Class Junior winners with scores of 900 points or more, move to Senior Class. Senior Class Best of Class winners scoring 900 or more points move to Preservation Senior Status where they will be acknowledged each year that they maintain 900 points or more. All unrestored (Class 12) cars receive a recognition award if they meet the guidelines for "unrestored", but do not receive a First, Second or Third place awards.

Please contact Greg Minges (NAOC Chief Judge) by email at gminges@fuse.net if you have any questions or need a copy of the NAOC Judging Rules. Portions of the NAOC Judging Rules regarding Modified, Street Stock, and Unrestored are provided below to assist you in proper classification of your vehicle.

JUNIOR CLASSES

Please register your car in the following junior classes unless your car has received a Best of Class award at a NAOC National Meet from 1999–2008.

Class 6	1955–1956	Class 12	UnRestored (See details below)
		Class 13	Olds Powered GMC Trucks

SENIOR AND SENIOR PRESERVATION CLASSES

Please register in the following "Senior Classes" if your car has won a Best of Class Junior award at a NAOC National Meet between 1999–2008. Senior Preservation Cars have won a Best of Class Senior Award at a NAOC National Meet between 2000–2008. Please indicate SR or SR Pres next to your class number on the registration sheet. Examples: 20 A SR ; 20 D SR Pres.

Class 20 A	1897–1910	Class 20 E	1941–1950
Class 20 B	1911–1920	Class 20 F	1951–1960
Class 20 C	1921–1930	Class 20 G	1961–1966
Class 20 D	1931–1940	Class 20 H	Modified and Street Stock

MODIFIED

A Modified vehicle has one or more of the following. (1) A non-original powerplant that is either "high performance" or an increase of 50 cubic inches. (2) Major body modifications. (3) Chromed or dechromed 30% or more. (4) Major change in riding height. (5) "Custom" paint. (6) Hood Scoops. (7) Car set up for racing. (8) Non-stock suspension, other than shocks. (9) Differential other than year of manufacture.

STREET STOCK

A Street Stock vehicle may not have any of the modifications listed under Modified. A Street Stock vehicle must have dual exhaust. A Street Stock vehicle must have either (1) changes to the sheet metal and trim, or (2) improved carburetion or ignition. Changes which do not affect the vehicle's "street performance", e.g., electric fuel pump, 12 volt battery, mag wheels, engine chrome, radial tires, etc. do alone qualify the vehicle for Street Stock.

UNRESTORED

An unrestored vehicle is one that has no more than two of the following repairs. Each numbered item or portion thereof is considered one repair. Items 1 and 4 may not exceed the quantities listed. IF they do, the entry must move to the Stock/Restored Stock Class. (1) Two panels repainted. (2) New Trunk Interior. (3) One half of seat cushions/backers replaced. (4) Two glass panes replaced. (5) Headliner replaced. (6) New floor covering. (7) Vinyl/Convertible top replaced. (8) Bumpers replaced or rechromed. (9) engine repainted. All qualified cars in this class will receive recognition, but will not be judged First, Second, Third, or Best of Class awards.
